

Home Learning Activities

Rabbit Class 8.6.2020

Hello Rabbits! I hope you have all had a good week and have been able to enjoy the beautiful sunshine! I hope you enjoyed completing the 'Minibeast' home learning activities with your grown ups. We now have a new topic... 'Castles'.

Each activity should take no more than 20 minutes and spread them out over the whole week. You can always finish the activity or have another go at it later on in the week if you wish. **Remember to have fun!**
Remember to send photos and videos to me via Class Dojo!

Here are some more activities for you to try this week:

Castles

1. Mind map – Talk with your family about all the things you know about castles. Draw pictures on a large piece of paper and use your phonics to write words.
2. Parts of a castle – Look at photos/pictures of castles. Talk about the different parts of a castle. Can you find the: tower, battlements, moat, draw bridge, portcullis, arrow slits, flag.

3. Trace a castle. Trace an outline of a castle. Remember to carefully following the lines with your pen/pencil.

Cinderella

4. Listen to Cinderella story (see attachment).
5. Retell the story to your grown ups or to other family members.

Phonics

6. Rhyming. Talk about rhyming words – words that sound the same/have the same end sounds. For example: peas & trees, cat & bat, fox & socks. Use the attached 'Rhyming odd one out' sheet.
7. Rhyming. Play Rory the Zebra rhyming games.
<https://www.roythezebra.com/reading-games-words-that-rhyme.html>
8. Real or Fake words? Play picnic on Pluto (Phase 2 all sounds Phase 3: set 1-6 & Set 1-7 plus constant digraphs) <https://new.phonicsplay.co.uk/resources/phase/2/picnic-on-pluto>
9. Word picture match. Play 'Pick a picture' (all Phase 2, Phase 3: set 6-7)

Maths

10. Taking away/subtraction. Use objects (teddies, sweets, small toys, buttons) to support understanding of 'take away'. You could use a story, for example: 5 teddies are in the park (count out 5 teddies), 2 of them have to go home (remove 2 teddies), how many are left? Say the number sentence at the end – 5 take away 2 equals 3. Repeat using different amounts of items up to 10.
11. Missing numbers. Ask your grown up to write numbers 1 – 10 (20) in a line but miss out some of the numbers or print out attached sheet. Can you fill in the missing numbers?
12. 1 less. Can you quickly say the number that is one less than any number 1 – 10? Remember you need to go backwards! Ask your grown up to call out a number for you to say the number that is one less. One less than 7 is.....6!

PE

13. Zumba! <https://app.gonoodle.com/activities/too-hot?s=Channel&t=Zumba%20Kids&sid=2&cs=zumba-kids>
14. Dance! <https://app.gonoodle.com/activities/little-green-froggy?s=Channel&t=Moose%20Tube&sid=18&cs=moose-tube>
15. PE with Joe Wicks! He has some great videos to watch on youtube!

SEAL

16. Discuss with your family – What can you do now that you could not do when you first started school? Make a list of all the things you can now do!

Please remember to upload photos/videos of you completing the activities or of your completed work onto the 'Student Profile' section of Class Dojo for me to see!
