

Dear Parents,

Below is the weekly timetable of home learning activities for this week. We have focused a different book each day to celebrate World Book Day. There are no timings included on the timetable this week as we want you to spend each day immersed in activities around the day's focus book.

All the schools in the Shepton Mallet area are joining together for a special World Book Day project. We are asking families at home to display World Book Day completed work in their windows. As people out for their daily exercise during the week the children should hopefully be able to spot other children's World Book Day work displayed in windows around the town. Spotting new book titles around the town will inspire children and their families to have a look at a wider range of books as a result. We would like as many people as possible to get involved with this project.

Please take a photo of your window display each day and send it to us via the student profile on Class Dojo. We look forward to seeing your window display grow and develop over the week.

Mrs Hewitt, Miss Maddaford & Mrs Glover.
