**"Where Children Come First."**

25<sup>th</sup> April 2019

Dear Parent / Carer,

We are delighted to announce that we have been accepted onto the National School Breakfast Programme. This has been set up by the Department for Education to allow schools to expand their Breakfast Club provision. It is being funded through the sugar tax, and being delivered by two charities, Family Action and Magic Breakfast.

Through the scheme, we are going to offer a daily toasted bagel free to **all** children, starting next Monday, 29<sup>th</sup> April. They will be available between 8.30am and 8.50am either on the playground or in the entrance to the school hall if it is raining. We will also be taking bagels into the Nursery from 9am.

The bagels contain 25% whole wheat and are fortified with vitamin D. They are free from any artificial flavourings and preservatives and therefore ideal to be part of a healthy breakfast.

We held a sampling session a couple of weeks ago and the bagels were well received by all, in fact none of the children who tasted one said they didn't like them!

Please note, the bagels are for the children only, but for the first few days we will offer them to parents as well, so that you know what it is your child is eating.

Yours sincerely

*Honoria Thompson*
