"Where Children Come First."

24th April 2019

Dear Parents/Carers

As partners in your child's education your knowledge of their development and personality is an essential part of their overall picture. In school we assess your child's attainment against the statements in the National Curriculum and we would like to invite you to visit our class so that you can find out more about this process. You will also be able to see your child working as part of a normal day.

We are offering twenty four time slots on Tuesday/Thursday mornings during May and June, of one and a half hours where you can sign up to visit. There will be space for three visitors per session. You are welcome to sign up to more than one session. These time slots will be as part of a normal day. You will see your child taking part in maths or english sessions and see how the classroom works.

To ensure that you are allocated a convenient time, please indicate on the form below **all the times which would be suitable for you** - as many as possible please and return to the School office. They will be allocated in the order we receive the replies and we will send you a note of your appointment time. Please be aware this session is not suitable for young children to attend.

We look forward to you joining us.

Yours sincerely

Honoria Thompson

Honoria Thompson – Headteacher

Child's Name Class:

Parent (s) Name attending:

TIMES	9.00 – 10.30	TIMES	10.45-12.00
THURSDAY 02/05/19		THURSDAY 02/05/19
