"Where Children Come First."

Somerset County Council

23rd May 2019

Dear Parent / Carer,

We will be having some work done on the school path to improve the drainage, starting during half term week and potentially lasting for three weeks. This will involve the path being closed between the road and the door into the Nursery building.

Access to the school and Nursery will be through the car park for the time the work is going on. Those people who have buggies will also be able to access the school playground to avoid having to push their buggy down the slope. There will be a path marked for pedestrians to ensure that you are able to walk safely through the car park at the beginning and end of the day.

Following the drainage work we are having a small wall built and new plants put into the flower bed next to the path. **When this work has been finished CHILDREN MUST NOT WALK EITHER ON THE WALL OR THE NEW PLANTING.**

We have waited a long time for this work to be done. We are very excited about it as it will improve the look of our school immensely.

Yours sincerely,

Honoria Thompson
