"Where Children Come First."

4th September 2019

Dear Parent / Carer,

Welcome (and welcome back!) to Shepton Mallet Community Infants School & Nursery. I hope that you all had a great holiday and were able to make the most of the time away from school.

I would especially like to welcome our new children and families who are starting their learning journey with us. I hope that your time with us is exciting, fun and successful! We will all work very hard to ensure that the children in our care are given the very best education we can provide. We aim to develop children who are creative, are able to work in harmony with their friends and who have a passion for learning for the rest of their lives. We also want them to understand and respect the rights that all children around the world are entitled to have.

We are all looking forward to the year ahead. Remember, if we can help in any way please don't hesitate to let us know. As a school, we are always looking at ways that we can improve the quality of education and support that we provide to both your children and you.

Also, if you feel that you can offer the school some time or skills, we are always looking for new volunteers. We need help with activities such as cooking bagels before school, listening to readers or helping on school trips, to name just a few.. Please let Ms Hayne know if you are able to spare an hour or two.

It was lovely to see the children in school yesterday, they all settled very well and for our Year 1 and Year 2 children it was as if they had never been away!

Here's to a successful year!

Yours sincerely,

Honoria Thompson
