

Dear Parent Carers,

In 2023's Spring Budget, the government announced as part of their proposals the ambition that by September 2026 all primary aged children have access to term-time wraparound provision from 8am - 6pm, for those families who wish to make use of it. This provision would either be offered at their child's school setting, or as part of a community network of schools.

In order to prepare for this, the Education & Childcare Places team at Somerset Council are very keen to understand the current levels of demand families have for wraparound (before and after school) provision for their children, by completing this online survey <https://forms.office.com/e/y1H7Vdc7rU>. We would ask that responses are submitted by **Tuesday 31<sup>st</sup> October 2023**.

Thank you in advance for your support with this,

The Education & Childcare Places Team
